

**STOP BILL C38, AND OUTLAW OMNIBUSING**

Dear \_\_\_\_\_

Omnibus Bill C-38 is a Trojan horse: its title hides its contents. It vandalises prior laws enacted with separate debate under previous (P)Con. & Liberal governments. Each measure deserves separate debate. Omnibus is subversion of Democracy; Harper himself attacked it in 1994: [openparliament.ca/debates/1994/3/25/stephen-harper-1/]. **Please demand, on behalf of the voters and for decency:**

- [1] that the legislation is withdrawn;
- [2] that Parliamentary rules outlaw Omnibus by requiring Unity of Content with a Bill's Long Title;
- [3] and vote the bill down if not withdrawn.

PLEASE CONFIRM, WITH SUBSTANTIVE RESPONSE.
